

Registration Deadline is February 1, 2020

The Tread Trainer course is an 8-hour outdoor ethics designed to provide a “crash course” outdoor ethics focusing on motorized and mechanized recreation on both land and water.

Participation in the course qualifies individuals to present the Tread Lightly! message. Participants work with Master Tread Trainers on understanding the role outdoor ethics play in the recreation community, learn the Tread Lightly! principles of responsible recreation, and be provided with the tools to conduct workshops and participate in District and Council Activities and other events where Outdoor Ethics can be a tool in educating Scouts and Scouters to the need for developing their own personal outdoor ethic.

The Tread Trainer Course requires active participation throughout the course. Successful candidates are provided with the tools to conduct awareness workshops and coordinate community outreach. Trainers receive a Certificate of Completion, free educational materials, an extra discount on all Tread Lightly! Materials and updates through a semi-annual newsletter, emails and website. You also receive access to digital files containing the Tread Trainer Manual, PowerPoint presentation and training resources, Tips for Responsible Recreation and PSA's.
