Amateur Radio Technician Licensing Class

3-Saturdays from 8am till 3pm

January 29, February 5 & 12, 2022

All members of the community are invited to attend, registration is required due to limited seating.

Members of ScoutsBSA:

If you attend all three classes, you will complete the requirements for **Radio Merit Badge**

All attendees will have the opportunity to take the FCC exam on Feb 12, 2022.

The cost for the test is **"FREE"**. Passing this test will give you a Call-Sign and privileges of an

Amateur Radio Technician

There are no age limitations for the class, or the test.

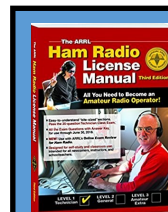

All classes, and the test session, will be held at:
The American Legion
225 East Holding Street
Wake Forest, NC 27587

Water and Coffee will be available. Bring your lunch, or find someplace locally.

Scouts attending need to be in uniform (as in Class "A" / Field Uniform).

Bring a Blue-Card, filled out with **YOUR** information and signed by your **Scoutmaster**. This is perfect if you plan backcountry hikes, or a trip to Philmont. Stay in contact! **PARENTS!** You can participate in the class as well, and take the exam; if you pass the exam, you and your child will have a new, exciting, and fun hobby you and your entire family can learn about together.

Legion Members, this is a wonderful volunteer opportunity to get involved with your post, and your local area community.

You will need to purchase and read the course book, it can be purchased on Amazon or from the ARRL at
