Instructions and Examples

Additional Information

Nominators may attach supporting documentation (up to 3) as deemed necessary. (Supporting documentation may include news articles, letters of support, etc.). This award is not a person-of-the-year, general lifetime achievement, or a different version of the Silver Beaver Award.

Complete sections 1 & 2 as completely and neatly as possible. Use of this form, and typewritten, is preferred and highly encouraged. If you don't know the exact dates of service (month/year or year) ensure you verify that the positions served are correct, not forgetting to add any awards received, including scouting, religious and civic. It is to the nominee's advantage to amplify their service…completeness versus length is paramount.

Remember to have the completed application submitted to the Council Alumni Committee no later than 5PM on Friday, December 1, 2025. You may email the nomination form (including any supporting documentation) to alumni@ocscouts.org.

If you have any questions, please email the Council Alumni Committee at alumni@ocscouts.org.

Nomination and Selection Process

Nominations should be submitted to the local council's Alumni committee. The council is allowed a maximum of one Alumnus of the Year per calendar year. The selection committee should consider the Alumni effort as eighty percent and the community / professional effort as twenty percent of the overall selection process.

Attach Photo

Attach a current photo of your nominee. This can be a scouting photo or non-scouting photo.
