Occoneetchee Council has been asked to provide Scouts (ages 14 and older) to help youth with the BB Range under the supervision of BSA BB Rangemasters. Our Scouts will help young children how to use a BB Gun properly while shooting at paper targets. We will need 6-8 Scouts each hour. Scouts in uniform helping at the BB Range will get free entrance to the event.

Scout leaders and parents are needed to staff the Occoneetchee Council's Exhibit Booth. While your youth are helping with the BB Range you can help us talk to parents at our exhibit about the benefits and fun we have in Scouting. Scan the QR Code to Volunteer. You also get free entrance if you are in your scout uniform.
